BEFORE THE ARIZONA MEDICAL BOARD

In the Matter of
BRUCE R. EICH, M.D.
Holder of License No. 19429
For the Practice of Allopathic Medicine
In the State of Arizona.

Case No. MD-20-1091A
**INTERIM CONSENT AGREEMENT
FOR PRACTICE RESTRICTION**

INTERIM CONSENT AGREEMENT

Bruce R. Eich, M.D. ("Respondent") elects to permanently waive any right to a hearing and appeal with respect to this Interim Consent Agreement for Practice Restriction and consents to the entry of this Order by the Arizona Medical Board ("Board").

INTERIM FINDINGS OF FACT

1. The Board is the duly constituted authority for the regulation and control of the practice of allopathic medicine in the State of Arizona.

2. Respondent is the holder of License No. 19429 for the practice of allopathic medicine in the State of Arizona.

3. The Board initiated case number MD-20-1091A after receiving Respondent's timely self-report pursuant to A.R.S. § 32-3208(A).

4. During the course of the Board's investigation, Respondent underwent an evaluation at a Board approved facility ("Facility") on October 25-28, 2021. Based on the evaluation findings and testing results, the Facility issued a Preliminary Assessment Report and Recommendations ("Report"). In its Report, the Facility opined that Respondent was not currently safe to practice medicine, and made recommendations for rehabilitation and remediation.

1 5. The aforementioned information was presented to the investigative staff, the
2 medical consultant and the lead Board member. All reviewed the information and concur
3 that the interim consent agreement to restrict Respondent's practice is appropriate.

4 6. The investigation into this matter is pending and will be forwarded to the
5 Board promptly upon completion for review and action.

6 **INTERIM CONCLUSIONS OF LAW**

7 1. The Board possesses jurisdiction over the subject matter hereof and over
8 Respondent.

9 2. Pursuant to A.R.S. § 32-1405(C)(25) the Executive Director has authority to
10 enter into a consent agreement when there is evidence of danger to the public health and
11 safety.

12 3. Pursuant to A.A.C. R4-16-504, the Executive Director may enter into an
13 interim consent agreement when there is evidence that a restriction is needed to mitigate
14 imminent danger to the public's health and safety. Investigative staff, the Board's medical
15 consultant and the lead Board member have reviewed the case and concur that an interim
16 consent agreement is appropriate.

17 **INTERIM ORDER**

18 IT IS HEREBY ORDERED THAT:

19 1. Respondent is prohibited from engaging in the practice of medicine in the
20 State of Arizona as set forth in A.R.S. § 32-1401(22) until Respondent applies to the
21 Executive Director and receives permission to do so.

22 2. Respondent may request, in writing, release and/or modification of this
23 Interim Consent Agreement. Respondent's request must be accompanied by information
24 demonstrating that Respondent has complied with the recommendations of the Facility in
25 its Report, and is safe to practice medicine. Respondent's request must also be

1 accompanied by a recommendation from the Facility that Respondent is safe to return to
2 the practice of medicine. The Executive Director, in consultation with and agreement of
3 the lead Board member and the Chief Medical Consultant, has the discretion to determine
4 whether it is appropriate to release Respondent from this Interim Consent Agreement.

5 3. The Board retains jurisdiction and may initiate new action based upon any
6 violation of this Interim Consent Agreement, including, but not limited to, summarily
7 suspending Respondent's license.

8 4. Because this is an Interim Consent Agreement and not a final decision by
9 the Board regarding the pending investigation, it is subject to further consideration by the
10 Board. Once the investigation is complete, it will be promptly provided to the Board for its
11 review and appropriate action.

12 5. This Interim Consent Agreement shall be effective on the date signed by the
13 Board's Executive Director.

17 record that may be publicly disseminated as a formal action of the Board, and that it shall
18 be reported as required by law to the National Practitioner Data Bank.

4 licensed in the future, Respondent must submit a new application for licensure and meet
5 all of the requirements set forth in the statutes and rules at that time.

6 10. Respondent understands that any violation of this Interim Consent
7 Agreement constitutes unprofessional conduct under A.R.S. § 32-1401(27)(s) ("[v]iolating
8 a formal order, probation, consent agreement or stipulation issued or entered into by the
9 board or its executive director under this chapter.").
