3 **PARESH GOEL, M.D.**

4 Holder of License No. 44344
5 For the Practice of Allopathic Medicine
6 In the State of Arizona.

Case No. MD-20-0289A

**INTERIM CONSENT AGREEMENT
FOR PRACTICE RESTRICTION**

7 **INTERIM CONSENT AGREEMENT**

8 Paresh Goel, M.D. ("Respondent") elects to permanently waive any right to a
9 hearing and appeal with respect to this Interim Consent Agreement for Practice Restriction
10 and consents to the entry of this Order by the Arizona Medical Board ("Board").

11 **INTERIM FINDINGS OF FACT**

12 1. The Board is the duly constituted authority for the regulation and control of
13 the practice of allopathic medicine in the State of Arizona.

14 2. Respondent is the holder of License No. 44344 for the practice of allopathic
15 medicine in the State of Arizona.

16 3. The Board initiated case number MD-20-0289A after receiving notification
17 from the Board's Physician Health Program ("PHP") Contractor that Respondent tested
18 positive for a controlled substance in violation of his Board Order for monitoring.

19 4. Effective June 14, 2018, the Board issued an Order for Letter of Reprimand
20 and Probation; and Consent to Same with terms and conditions of probation including
21 abstinence from controlled and illicit substances monitoring with the Board's PHP
22 Contractor ("Consent Agreement").

23 5. On March 31, 2020, the PHP Contractor was notified that Respondent tested
24 positive for an illicit substance. The test was confirmed positive on April 6, 2020.

25 6. The Consent Agreement states:

1 In the event of a chemical dependency relapse by Respondent or
2 Respondent's use of controlled substances or alcohol in violation of this
3 Order, Respondent shall promptly enter into an Interim Consent Agreement
4 for Practice Restriction that requires, among other things, that Respondent
5 not practice medicine until such time as Respondent successfully completes
6 long-term inpatient treatment designated by the PHP Contractor and obtains
7 affirmative approval from the Executive Director, in consultation with the Lead
8 Board Member and Chief Medical Consultant, to return to the practice of
9 medicine. Prior to approving Respondent's request to return to the practice of
10 medicine, Respondent may be required to undergo any combination of
11 physical examinations, psychiatric or psychological evaluations. In no respect
12 shall the terms of this paragraph restrict the Board's authority to initiate and
13 taken disciplinary action for any violation of this Order.

8 7. The aforementioned information was presented to the investigative staff, the
9 medical consultant and the lead Board member. All reviewed the information and concur
10 that the interim consent agreement to restrict Respondent's practice is appropriate.

11 8. The investigation into this matter is pending and will be forwarded to the
12 Board promptly upon completion for review and action.

13 **INTERIM CONCLUSIONS OF LAW**

14 1. The Board possesses jurisdiction over the subject matter hereof and over
15 Respondent.

16 2. Pursuant to A.R.S. § 32-1405(C)(25) the Executive Director has authority to
17 enter into a consent agreement when there is evidence of danger to the public health and
18 safety.

19 3. Pursuant to A.A.C. R4-16-504, the Executive Director may enter into an
20 interim consent agreement when there is evidence that a restriction is needed to mitigate
21 imminent danger to the public's health and safety. Investigative staff, the Board's medical
22 consultant and the lead Board member have reviewed the case and concur that an interim
23 consent agreement is appropriate.

24 **INTERIM ORDER**

25 IT IS HEREBY ORDERED THAT:

1 1. Respondent is prohibited from engaging in the practice of medicine in the
2 State of Arizona as set forth in A.R.S. § 32-1401(22) until Respondent applies to the
3 Executive Director and receives permission to do so.

4 2. Respondent may request, in writing, release and/or modification of this
5 Interim Consent Agreement. Respondent's request must be accompanied by information
6 demonstrating that Respondent is safe to practice medicine and has complied with the
7 requirements of paragraph 19 of the Consent Agreement as cited herein. The Executive
8 Director, in consultation with and agreement of the lead Board member and the Chief
9 Medical Consultant, has the discretion to determine whether it is appropriate to release
10 Respondent from this Interim Consent Agreement.

11 3. The Board retains jurisdiction and may initiate new action based upon any
12 violation of this Interim Consent Agreement, including, but not limited to, summarily
13 suspending Respondent's license.

14 4. Because this is an Interim Consent Agreement and not a final decision by
15 the Board regarding the pending investigation, it is subject to further consideration by the
16 Board. Once the investigation is complete, it will be promptly provided to the Board for its
17 review and appropriate action.

18 5. This Interim Consent Agreement shall be effective on the date signed by the
19 Board's Executive Director.
